

In Living Color

THE CHANNEL OF GREATNESS | Life is filled with colorful experiences. We create the experiences in our individual lives by the thoughts we keep. For you to be great, keep thoughts of greatness. Believe you are great at what you do. You can affirm something like this:

I am great at everything I do. I am a great person. I am the channel through which God is great as me.

AMAZING | Let's face it: You are amazing. You can't help it. The same Intelligence that causes the sun to shine reveals Itself as you. Whatever you want to do, believe you can, then get busy doing what is needed.

I am the vessel through which the Infinite reveals Itself. I am amazing in every aspect of my life. All that I do represents the all-good of God.

NOW IS THE TIME | It is never too late to write that book, sing that song or ask for that date. Now is the time to reveal your greatness. It is never too late. Now is the time to live your best life ever.

I now accept my greatness. I accept my amazing life. I live my life in abundant joy. Now is the time to show my true self.

FREEDOM | Believe it or not, it is our thinking that keeps us in bondage, and our thinking also sets us free. Remember, there is a power for good *within you* that seeks expression *as you*. For that to happen, free your mind.

I am free of the thoughts of fear. I focus on love, peace, abundance and freedom. I am the free expression of the Divine. And so it is. ☸
